BIBLIOGRAPHIES ON BELGIAN ARCHAEOLOGY ABROAD (ACE SUB-THEME IID)

The two bibliographies below – (A) Secondary and historiographical literature and (B) publications on archaeology abroad – result from ongoing research on “European archaeology and international development”, sub-theme IID of the European network ACE - Archaeology in Contemporary Europe. These bibliographies provide a representative panorama of existing publications on the history of Belgian archaeology abroad and its results. They are available on the ACE Website:
